Hello Paul,

I am following up on two of our personal and confidential cases that are still pending.

The first is Jesse Clark. As you will notice on his Ineligible Volunteer Record Sheet, he has left the area and moved to, the police think, Houston. He was never prosecuted in this case, although the investigating detective has not given up either.

I believe that he was selected by an aeronautical college in this area to take part in some type of astronaut training program. That is what would take him to Houston.

In the Brian Liebold case, this has not yet come to trial. When it does, I will notify you of the outcome.

Sincerely,

Terry Kelley

Dear Terry:

On July 15, we received a call from your office indicating that the above named individual may have committed child abuse while with the big brother program.

You asked for an Ineligible Volunteer Record Sheet which we sent by first class mail on July 15, 1991. We have received no information from you since that time.

We would like more information concerning the type of abuse and what actually occurred and also the dates. We would also like to have the Ineligible Volunteer Record Sheet returned with as much information as you have available.

Thanks for your help in completing this file and protecting the youth of America.

Sincerely,

Paul Ernst, Director
Registration and Statistical Service
